FLIGHT TIME

Flight times are logged, but not totalized. My Part 121/135 experience exceeds 34 years. Prior to that, my service as a Naval aviator was approximately 7 years. A conservative estimate of the totals would be 20,000 hours. Additionally, as a Simulator Instructor and X-type Check Airman, I have completed approximately 1500 training and evaluation events.

EDUCATION and INTERESTS

Bachelor of Arts, Biological Sciences, California State University, Chico, CA. Hobbies include gold prospecting, hiking, drone flying, photography, and expanding computer skills.
