### **PROFILE**

Safety-focused, detail-oriented, professional pilot and Navy veteran with demonstrated expertise in providing exceptional customer service to high profile clientele. I provide pilot/management services on a one-time event transaction, or as an ongoing solution-oriented plan with my clients to provide a mission-based operation. I assist in both the purchase and sales of aircraft and have a proven record of troubleshooting poorly performing Part 91 operations, solving maintenance issues, ensuring regulatory compliance, and establishing efficient processes.
