PROFESSIONAL OBJECTIVE

Acquire permanent position within a professional flight department displaying the highest form of integrity and positivity, where all members cooperate to safely complete the mission to the benefit of both company and customer.

SUMMARY OF QUALIFICATIONS

13 years of experience, in F.A.R. part 91, 121, and 135 operations. Current part 135 Captain and I.O.E. Captain with excellent cockpit management and interpersonal skills. 7 years of customer service experience prior to aviation career, often being promoted to an instructor in whatever position I occupied at the time. Ambitious to take on new tasks.
